1 Introduction

The Commerce Bank Fundraiser application will allow users to create and donate to various noble causes. This will be a central portal where a user can create an account or browse as a guest. Via both browsing methods, the user can view and donate to fundraisers created by other users. They can also save payment methods and view/edit fundraisers created by themselves.

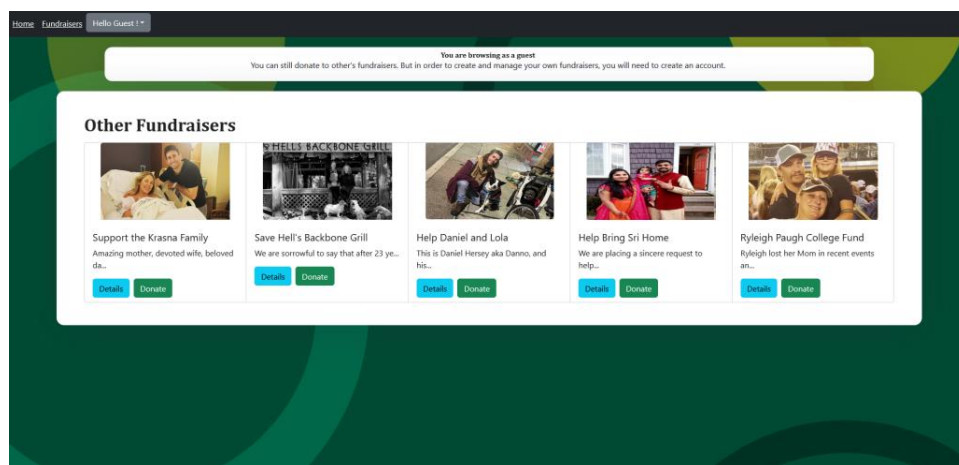

2 Quick Start

Access the webpage via link <http://20.169.81.116/>

3 System Requirements

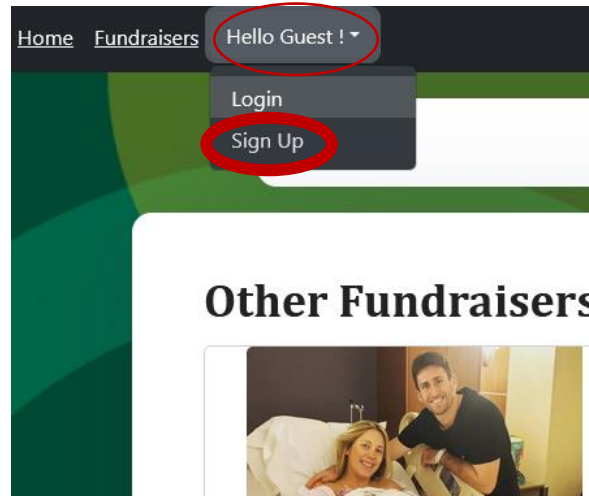

The Commerce Bank Fundraiser Web Application requires devices to have internet access. A valid email and password must be used to create an account. Users must have an existing bank account with sufficient funds or be a credit card holder to be able to donate to fundraisers.

4 Main Scenarios of use

* This shows the initial homepage where all users will first be directed

4.1 Create an Account

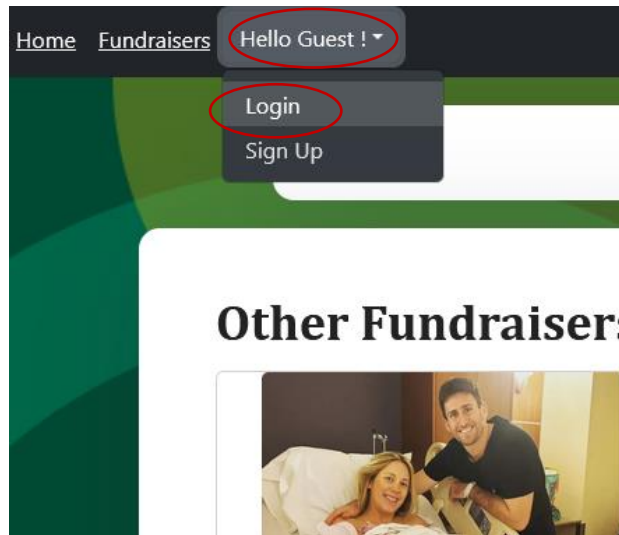

1. Click the “Hello Guest!” tab to access the dropdown menu
2. Click sign up

A screenshot of the 'Sign Up' form on the Commerce Bank Fundraiser website. The form is titled 'Sign Up' and is set against a dark green background. It contains four input fields: 'First Name' (placeholder: 'Enter first name'), 'Last Name' (placeholder: 'Enter last name'), 'Email' (placeholder: 'tina@burgers.com'), and 'Password' (placeholder: '*****'). Below the input fields is a green 'Sign Up' button.

3. This sign-up page will appear for the user to fill out the appropriate information
4. Click “Sign Up” to complete creation of account

4.2 Login to User Account

1. Using the same dropdown menu under the greeting click on “Login”
